One of the major topics of discussion at the President's Council meetings was the idea of bringing in pro rock groups for assemblies instead of having the educational ones. The students felt they should be able to have the kind of assemblies they wanted. A survey was conducted to find whether the students would be willing to pay for this type of entertainment.

The officers for this year's President's Council are, (L TO R): Dick Mott, secretary, Mark Thompson, president, Bob Jones, treasurer, and Mike Hanley, vice president.

This year South is very privileged to have such dedicated members on each staff. They have that little extra jive that makes us first when it comes to excellence. These staffs are as much a part of South as is the Rebel Spirit. We appreciate the work they do to keep our school number one. We consider ourselves very fortunate to have such hard working students in these groups.

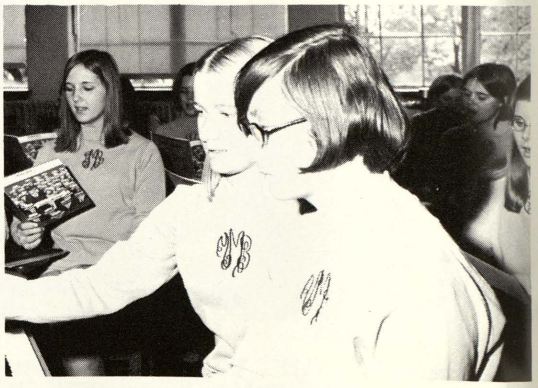
Making Merry With Music

This year's Mixed Choir, consisting of eighth and ninth grade boys and girls, did an outstanding job at the Christmas and Spring Concerts.

The Folk Singers sang songs of old and new for the student body.

If you happen to be walking down the hall near room 210 or anywhere within the immediate area, you will be blessed with the sound of angelic voices, hamonizing to the tunes of today. Music continually flows from within as the choirs of Miss Mary Ellen Gase rehearse. So stop and listen sometime if you please, and enjoy music at its best.



Madrigal accompanists Nancy Mead and Myrna Marr tickle the ivories as the rest of the group sing.

South's instrumental music department is now headed by three members of our faculty-Mr. Shumate, Mr. Austin, and Mrs. Benjamin. Mrs. Benjamin assists Mr. Shumate with the morning band classes and Mr. Austin is the orchestra director.

This year we had two junior bands-a first for South. This shows the large amount of musical interest in Southern students.

Big Green Machine Captures Second

The ninth grade football team, considered one of the best ever to wear the green and white of South and nicknamed "The Big Green Machine", showed an awesome offensive attack scoring 254 points while the strong defense allowed just 62 points. The Rebels were led by honorary captain Ron Rummel and most valuable player Mark Thompson, but showed well balanced attack and a great team effort. The Rebels were awarded the traveling Grube Memorial Trophy for the second time in the past three years. The Rebels power, size and team spirit should make for a bright future at Arthur Hill.

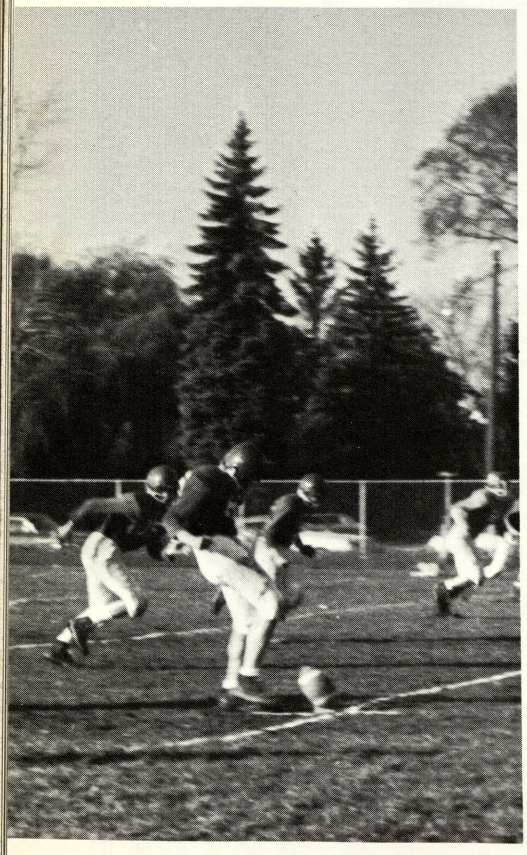
Junior Southern Spirit



This year's eighth grade Rebels showed outstanding performances in all of their battles with other junior high teams by swiping the championship title with an undefeated season. "The whole team should be commended for their fine playing," commented Coach Carl Jacobson. Brad Benzebberg led South in touchdowns by scoring 14. Bob Becker also helped South along with a score of six touchdowns and nine extra points. With the great material South had this year in eighth grade surely championship is clinched for next year's ninth graders.

The eighth grade basketball team finished with a six to four record under first year coach, Willie Richardson. The juniors showed fine team spirit in all contests. Leading a well balanced scoring attack was Bob Becker, who was followed by Brad Benzenberg. With a little more game experience the juniors may be strong contenders in a well balanced league.

PUBLIC LIBRARIES OF SAGINAW

We the staff of the 1971 SIS BOOM would like to take this time to express our appreciation and gratitude to the faculty, administration, and student body of South who made this year truly a year of "Southern Spirit." Also, we would like to give special thanks to Mrs. Sparks, yearbook adviser, who during her first year at South, gave us her leadership to develop this yearbook. Mr. Ekelof, principal, Mr. Briegel, of Werkema Studio, and Mr. Figg from the American Yearbook Company must also be given credit for helping us in our publishing.

As we leave the past year and approach the future school years we would like to conclude this year's edition with the hope that the memories of the 1971 SIS BOOM will last for many years to come.
